

## **CZECH REPUBLIC / SLOVAK REPUBLIC**

### **CAPACITY-BUILDING COVERACE NORTH MORAVIA AND SLOVAK MARKET**

THIS PROJECT IS SUPPORTED BY THE EUROPEAN REGIONAL DEVELOPMENT FUND AND THE  
MINISTRY OF INDUSTRY AND TRADE - INVESTMENT IN YOUR FUTURE.

The key reason is the increasing capacity and growth requirements of our customers, which is no longer effective to operate from the existing company headquarters in Brno.

Another benefit will be the creation of new jobs in areas with high unemployment.
